WELCOME TO THE XI INTERNATIONAL WORKSHOP ON LUNG HEALTH NEW SCENARIOS

Dear Colleagues,

We are honoured to welcome you to the **XI Edition of the International Workshop on Lung Health**, in the amazing frame of Seville (Spain), with its marvellous background of culture and history, combined with the opening tension to future challenges. The **fil rouge** of the XI International Workshop on Lung Health **"New Scenarios"** embraces sessions, lectures, and symposia. In the last year and half, in the post-COVID era, many interesting news, opportunities and challenges crossed the door of the respiratory world.

During the 3 Workshop days we would face all the major and outbreaking topics of Respiratory Medicine: from **Asthma and COPD** to **Respiratory Infections**, reaching also the **Interstitial and Rare Diseases**, focusing on the most recent **updates and perspectives**, in terms of **clinical advances** and **research outcomes**.

More time will be devoted to discussion, interaction, and contribution from the audience with the reconfirmation of the following formats:

- **The Rising Stars Programme** gives the opportunity to young clinicians and researchers worldwide to present their valuable work for the first time in front of an international audience and get suggestions from the faculty members.
- **The Future Health Leaders Mentoring Programme (FuHeL)** 13 selected early carrier researchers and clinicians accompanied during the whole congress experience on a "career mentoring" by 4 mentors of excellence.
- **The Strolling Poster Session hosts a large number of interesting research projects, to be discussed together on Friday night** give the opportunity to attendees to share projects and results of the most recent crucial world challenges in the Respiratory and related fields.

Due to the emerging news and updates focused on Respiratory Rare Diseases, we retain of crucial relevance to stimulate especially young researchers and clinicians to present original scientific paper on these areas. An **Oral Communication Session** on Saturday Morning will be focused on the mentioned theme.

We thank you all to for contributing to the success of the XI IWLH
Sincerely,

Organising Committee

The **Association Internationale pour la promotion de Formations Spécialisées en Médecine et en Science Biologique** (AFISM) is an international association devoted to promoting and enhance the continuing professional development and post-degree education in medical, scientific, and technical professions. AFISM organises high level education events, practical workshops, debates, consensus conferences and international congresses to help specialists to keep themselves up to date with all the new and quick advancements in the different disciplines.

Encouraging networking among professionals, AFISM is also focused on strongly supporting the sharing of evidence-based knowledge and discourages the diffusion of practices which are not supported by evidence to limit the circulation of harmful fake news still maintaining an open dialogue with all the different actors.

Topics

The Scientific Programme has been designed to face **challenges and emerging issues** of the Respiratory field.

Furthermore, to help participants to organise their attendance based on their area of interest, the programme has been organised in thematic tracks.

RED TRACK: Respiratory Infections

- COVID-19
- Bronchiectasis and NTM
- Pneumonia
- Respiratory Syncytial Virus (RSV)

BLUE TRACK: Asthma & COPD

- Asthma
- Atopy and Immunotherapy
- Chronic Obstructive Diseases
- Pre – COPD
- Chronic Bronchitis
- COPD
- Neutrophilic inflammation
- Precision Medicine
- Severe Asthma
- Treatments & New Drugs

GREEN TRACK: Respiratory Rare Diseases

- Alpha1-antitrypsin deficiency
- ILD – Interstitial Lung Diseases
- IPF – Idiopathic Pulmonary Fibrosis

CROSS TRACKS TOPICS

- Imaging and other Diagnostic Tools
- New Drugs
- Vaccines

SCIENTIFIC INFORMATION

The congress programme has been designed to fulfill the educational and updating needs of professionals operating in the following specialties:

PROFESSION: Medical Doctor

SPECIALTIES: Respiratory Medicine - Allergology & Immunology - Infectious diseases - Internal Medicine - Otolaryngology- Paediatrics - Radiology

CMEs Accreditation

The Workshop has been accredited to the UEMS/EACCME and to the European Board for Accreditation in Pneumology (EBAP).

Scientific
Programme

7

OPENING SESSIONS

13.00 – 14:00

RISING STARS SESSION

Chairs: F. Blasi, G. W. Canonica, S. Centanni, J.C. Virchow, T. Welte

13.00 – 13.15

Mild/Moderate asthma network of Italy (Mani): First Data

Benedetta Bondi (Italy)

13.15 – 13.30

Discussion

13.30 – 13.45

Prediction of endothelial dysfunction after COVID-19

Nataliia Habshydz (Ukraine)

13.45 – 14.00

Discussion

Each lecture is followed by 10' question time and 5' of comments and advices by the Chairmen.

14.00 – 14.40

OPENING LECTURE

Chairs: F. Blasi (Italy), G.W. Canonica (Italy)

14.00 – 14.30

New definitions and differential diagnosis of COPD exacerbations

M. Miravittles (Spain)

14.30 – 14.40

Discussion

**Scientific
Programme**

**Thursday 18
January
2024**

*IMPORTANT NOTE: each lecture slot includes 10 minutes of final discussion.
Differently, sessions have a final shared discussion of 10 minutes.*

RESPIRATORY INFECTIONS - TRACK 1

14.40 – 15.40

SESSION I - PNEUMONIA: FROM GUIDELINES TO REAL LIFE

Chairs: S. Aliberti (Italy) - J. D. Chalmers (UK)

14.40 – 15.00

New ERS severe CAP guidelines

A. Torres (Spain)

15.00 – 15.20

What we learned from COVID-19 pneumonia

T. Welte (Germany)

15.20 – 15.40

Discussion

15.40 – 16.10

LECTURE I - Chair: M. Shteinberg (Israel)

New real-life data on pneumonia in immunocompromised patients

S. Aliberti (Italy)

16.10 – 16.40

COFFEE BREAK

16.40 – 17.20

SESSION II - IS IT PNEUMONIA? CASE DISCUSSION - Chairs: R. Dhar (India) - J. C. Virchow (Germany)

16.40 – 16.50

CASE 1

D. Radovanovic (Italy) - P. Montecino (Spain)

16.50 – 17.00

Discussion

17.00 – 17.10

CASE 2

F. Amati (Italy) - A. Gramegna (Italy)

17.10 – 17.20

Discussion

17.20 – 17.50

KEYNOTE LECTURE I

Chair: R. Dhar (India)

NTM management: from clinical trials to real life

J. Van Ingen (The Netherlands)

17.50 – 18.20

LECTURE II - Chair: T. Welte (Germany)

RSV infections in adults: a new target of prevention

F. Blasi (Italy)

**Scientific
Programme**

**Thursday 18
January
2024**

RESPIRATORY TRACT INFECTIONS

18.20 – 19.00

KEYNOTE LECTURE II - Chair: M. Shteinberg (Israel)
Bronchiectasis: new scenarios and new approaches
J. D. Chalmers (UK)

19.00 – 19.45

NATIONAL SOCIETY SESSION IN COOPERATION WITH SEPAR

CHALLENGES IN THE PE FOLLOW-UP - Chairs: R. Otero (Spain) - B. G. Cosío (Spain)

19.00 – 19.15

The worst outcomes in the PE follow-up

L. Jara

19.15 – 19.30

Pulmonary rehabilitation as a therapeutic tool in the follow-up of PE

P. Cejudo

19.30 – 19.45

Discussion

20.00 – 20.30

WELCOME RECEPTION

This icon indicates sessions and lectures with the use of the Workshop APP.

**Scientific
 Programme**

**Friday 19
 January
 2024**

ASTHMA AND COPD - TRACK 2

08.30 – 09.00

KEYNOTE LECTURE III - Chair: G. W. Canonica (Italy)
New frontiers in upper airways management - J. Ansotegui (Spain)

09.00 – 09.50

SESSION III - OBSTRUCTIVE LUNG DISEASES - Chairs: P. Rogliani (Italy) - B. G. Cosio (Spain)

09.00 – 09.20

RWE - Real world evidence and guidelines - N. Roche (France)

09.20 – 09.40

New definitions and new approaches to COPD - F. Di Marco (Italy)

09.40 – 09.50

Discussion

09.50 – 10.20

LECTURE III - Chair: B. G. Cosio (Spain)
New approach to severe asthma: triple therapy? - M. Contoli (Italy)

10.20 – 10.40

COFFEE BREAK

10.40 – 11.10

LECTURE IV - Chair: S. Centanni (Italy)
Tezepelumab the first biologic targeting TSLP, a new prospective in severe asthma care - G. Senna (Italy)

11.10 – 11.40

LECTURE V - Chair: J. C. Virchow (Germany)
Tackling eosinophils with benralizumab: what's new on the horizon? - F. Di Marco (Italy)

11.40 – 12.10

LECTURE VI - Chair: J. C. Virchow (Germany)
Remission in severe asthma: what does it mean? - G. Walter Canonica (Italy)

12.10 – 12.40

LECTURE VII - Chair: F. Blasi (Italy)
How addressing the clinical need targeting type 2 inflammation?
The DUPI answer in type 2 and severe asthma - G. Walter Canonica (Italy)

12.40 – 13.40

LUNCH

13.40 – 14.30

SESSION IV - ASTHMA: GUIDELINES VS REAL LIFE

Chairs: F. Braido (Italy) - N. Roche (France)

13.40 – 14.00

Clinical trials evidences and GINA indications - G. Walter Canonica (Italy)

14.00 – 14.20

Registries data in asthma - F. Blasi (Italy)

14.20 – 14.30

Discussion

14.30 – 15.00

LECTURE VIII - Chair: P. Santus (Italy)
Moderate asthma: a clinical practice conundrum? - F. Braido (Italy)

ASTHMA AND COPD - TRACK 2

15.00 – 15.30

LECTURE IX - Chair: N. Roche (France)
Triple therapy for COPD: new scenarios in a GOLD Future - F. Braido (Italy)

15.30 – 16.00

LECTURE X - Chair: B. J. Cosio (Spain)
The role of prevention in COPD : the new era for best outcomes - P. Santus (Italy)

16.00 – 16.30

LECTURE XI - Chair: M. Miravittles (Spain)
Revisiting outcomes for COPD pharmacological trials - M. Cazzola (Italy)

16.30 – 17.00

LECTURE XII - Chair: Carlos Robalo Cordeiro (Portugal)
Old and new targets for NAC treatment - F. Blasi (Italy)

17.00 - 17.30

COFFEE BREAK

17.30 - 18.00

LECTURE XIII - Chair: S. Centanni (Italy)
Year in review - COPD - J. C. Virchow

18.00 – 18.30

KEYNOTE LECTURE IV
Chair: G. Walter Canonica (Italy)
Eosinophil airways diseases and more - M. Wechsler (USA)

18.30 – 19.00

LECTURE XIV - Chair T. Welte (Germany)
New evidence in adult cystic fibrosis management - A. Gramegna (Italy)

19.00 - 19.45

STROLLING POSTER SESSION

(for all the details on poster session see page 13 onwards)

**Scientific
 Programme**

**Saturday 20
 January
 2024**

RESPIRATORY RARE DISEASES - TRACK 3

09.00 – 09.30

LECTURE XV - Chair: M. Shteinberg (Israel)
Alpha1 Deficiencies: new scenarios - M. Miravittless (Spain)

09.30 – 10.00

LECTURE XVI - Chair: T. Welte (Germany)
Lung transplantation and rare diseases - L. Morlacchi (Italy)

10.00 – 11.40

SESSION VII - ORAL COMMUNICATIONS

Chairs: S. Centanni (Italy) - J. D. Chalmers (UK)
Oral Communication Coordinator: R. Dhar (India)

10.00 – 10.15

Clinical, functional, radiological and quality-of-life characteristics in PI*SZ Alpha 1-Antitrypsin Deficiency compared to severe PI*ZZ, moderate PI*MZ genotype and common PI*MM COPD: A national retrospective registry-based analytical observational cohort study

Claudio Tirelli

10.15 – 10.30

Severe Sepsis/Septic Shock Progression to Acute Respiratory Distress Syndrome in Intubated Patients with Ventilator-Associated Pneumonia: who are at risk and how improve the patients outcomes?

Alizaman Sadigov

10.30 – 10.45

Bronchiectasis in a patient with Autoimmune Polyendocrinopathy-Candidiasis-Ectodermal-Dystrophy

Margherita Silani

10.45 – 11.00

Response to Nintedanib in progressive pulmonary fibrosis: an Italian monocentric real-world study

Claudia De Petro

11.00 – 11.15

The role of exercise in improving physical activity and respiratory function of COVID-19 patients

Mohsen Abedi

11.15 – 11.30

Outcome of Covid-19 Patients Admitted In Emergency Department of Karnali Academy of Health Sciences, Teaching Hospital

Tula Gupta

11.30 – 11.40

Discussion

11.40 – 12.10

FUHEL FEEDBACK AND POSTER AWARD

Chair: S. Aliberti (Italy)

12.10 – 12.40

KEYNOTE LECTURE V - Chair: J. C. Virchow (Germany)

ILD: what we learned from RCT and real-life data

L. Richeldi (Italy)

12.40 – 13.10

CLOSING REMARKS

Chairs: F. Blasi, G.W. Canonica, S. Centanni, J.C. Virchow, T. Welte

This icon indicates sessions and lectures with the use of the Workshop APP.

Poster Sessions

POSTER SESSIONS
Friday, January 19, 2024
Floor - 1 Hall (19.00 - 19.45)

The parallel poster sessions take place in the Poster Area located on Floor - 1. Each poster presenter will be given 3 minutes to introduce their scientific paper, followed by a short discussion with the Chairperson. Posters are listed below alphabetically according to presenting author.

19.00 – 19.45	Poster Session I – Bronchiectasis, NTM and Cystic Fibrosis <i>Chairmen: James D. Chalmers (UK), Stefano Aliberti (Italy)</i>	Poster Area Hall Floor -1
1	An association between pulmonary mycobacterium avium complex infections and biomarkers of Th2-type inflammation in patients with chronic obstructive pulmonary disease <i>Alizaman Sadigov (Spain)</i>	
2	A qualitative interview study to explore the use of adverse event mitigation strategies among adults receiving amikacin liposome inhalation suspension (ALIS) in real world settings <i>Albuquerque Joao (Spain)</i>	
3	CFTR modulator treatments effects on pulmonary health: a chest MRI analysis in cystic fibrosis patients <i>Bertolo Silvia (Italy)</i>	
4	Anemia as a comorbidity in COPD patients <i>Buklioska Ilievska Daniela (North Macedonia)</i>	
5	Cachexia in chronic obstructive pulmonary disease (COPD) <i>Buklioska Ilievska Daniela (North Macedonia)</i>	
6	Dyslipidemia in COPD patients <i>Buklioska Ilievska Daniela (North Macedonia)</i>	
7	Dipeptidyl peptidase-1 inhibition in patients with bronchiectasis with eosinophilic endotype from the WILLOW trial <i>Chalmers James D. (UK)</i>	
8	Efficacy and safety of dipeptidyl peptidase-1 inhibition with brensocatib in the frequent exacerbator phenotype: a subgroup analysis from the WILLOW trial <i>Chalmers James D. (UK)</i>	
9	The impact of extrafine beclometasone/formoterol/glycopyrronium on ability to carry out activities of daily living in chronic obstructive pulmonary disease (COPD) in an Italian context of real life: the TRITRIAL study <i>Piraino Alessio (Italy)</i>	
10	Characterization of the immunophenotype of circulating neutrophils in bronchiectasis <i>Theofani Efthymia (Greece)</i>	

Poster Sessions

POSTER SESSIONS
Friday, January 19, 2024
Floor - 1 Hall (19.00 - 19.45)

19.00 – 19.45	Poster Session II – Asthma and Related Issues <i>Chairmen: G. Walter Canonica (Italy) – J. C. Virchow (Germany)</i>	Poster Area Hall Floor -1
11	Cysteinyl-leukotrienes are involved in the regulation of β2-adrenoceptor function <i>Cerqua Ida (Italy)</i>	
12	Efficacy of oral lyophilisate immunotherapy against house dust mites in asthmatic patients <i>Fernandez Gay Soraya (Spain)</i>	
13	The efficacy of biologic drugs in severe asthma elderly patients <i>Piazzoni Ludovica (Italy)</i>	
14	Effect of prednisone-hydrogen sulfide releasing hybrid in the control of asthma features <i>Simonelli Martina (Italy)</i>	
15	Use of dupilumab in asthma relapse after lung transplant <i>Sini Irene (Italy)</i>	
16	Asthma and treatable traits in a candidate for lung transplant: a case report <i>Tomarelli Irene (Italy)</i>	

**Poster
Sessions**

POSTER SESSIONS
Friday, January 19, 2024
Floor - 1 Hall (19.00 - 19.45)

19.00 – 19.45	Poster Session III – Respiratory Tract Infections <i>Chairmen: F. Blasi (Italy) – T. Welte (Germany)</i>	Poster Area Hall Floor -1
17	Scoping review of the effectiveness of noninvasive ventilation in the management of COVID-19 patients <i>Ahmad Alessa (Saudi Arabia)</i>	
18	Scoping review of the use of high-flow nasal cannulas in Covid-19 patients <i>Ahmad Alessa (Saudi Arabia)</i>	
19	Childhood lower respiratory tract infections and adult morbidity <i>Bersanini Chiara Lucia (Italy)</i>	
20	Levels of inflammatory and cardiac biomarkers as a predictor factor for complications and outcomes in hospitalized COVID-19 patients <i>Cilloniz Catia (Spain)</i>	
21	The efficacy of pleural fluid (PF)/serum lactate dehydrogenase (LDH) in identifying pleural fluid tuberculosis (PF-TB) <i>Elamin Yasser (USA)</i>	
22	Investigating the role of different temperatures when using high flow nasal cannula oxygen therapy (HFNC) in improving the clinical conditions of patients with COVID-19 <i>Atefeh Fakharian (Iran)</i>	
23	Community-acquired hypoxemic pneumonia after the COVID-19 pandemic: what <i>Farhat Sofia (Morocco)</i>	
24	Risk of thromboembolic complications in viral (non-COVID) and bacterial infectious pneumonitis compared with SARS CoV-2 <i>Farhat Sofia (Morocco)</i>	
25	Treatment of latent tuberculosis infection: completion rate and adverse events in patients with different comorbidities <i>Leonardi Gloria (Italy)</i>	
26	Sedation with propofol in patients with interstitial lung disease <i>Rodríguez Dupuy Celia (Spain)</i>	
27	A case of systemic sclerosis with interstitial lung disease after Covid-19 infection <i>Spacone Antonella (Italy)</i>	
28	Familial pulmonary fibrosis due to SFTPC mutation and eosinophilic granulomatosis with polyangiitis: a unique contemporary diagnosis of two rare diseases <i>Tirelli Claudio (Italy)</i>	

POSTER SESSIONS
Friday, January 19, 2024
Floor - 1 Hall (19.00 - 19.45)

19.00 – 19.45	Poster Session IV – COPD and Rare Diseases <i>Chairmen: F. Braido (Italy) – B. Cosio (Spain)</i>	Poster Area Hall Floor -1
29	Corelation of serum angiotensin-1 and 2 concentrations with mean pulmonary artery pressure in patients with pulmonary hypertension with chronic obstructive pulmonary disease <i>Bajpai Jyoti (India)</i>	
30	The role of small airways dysfunction in EGPA: preliminary results from a multicentric study <i>Cavazutti Benedetta (Italy)</i>	
31	Assessment of diaphragmatic ultrasound in patients with acute respiratory failure: dysfunction and clinical correlates <i>Danzo Fiammetta (Italy)</i>	
32	Patient with rheumatoid arthritis and interstitial lung disease treated successfully with rituximab <i>Herold Manfred (Austria)</i>	
33	Impact of esophageal dilatation on lung „pseudo“-air trapping in patients with achalasia <i>Jankovic Jelena (Serbia)</i>	
34	Assessing the health status using chronic obstructive assessment test and clinical COPD questionnaire among stable COPD patients residing in high altitude of Nepal <i>Pal Anusmriti (Nepal)</i>	
35	Clinical, functional, radiological and quality-of-life characteristics in PI*SZ alpha 1-Antitrypsin deficiency compared to severe PI*ZZ, moderate PI*MZ genotype and common PI*MM COPD: a national retrospective registry-based analytical observational cohort study <i>Tirelli Claudio (Italy)</i>	

XI
INTERNATIONAL WORKSHOP ON
LUNG HEALTH *New Scenarios*
Seville – Spain January 18-20, 2024

**Nervion I
Room – Floor
-1**

17

Thursday - January 18, 2024

13.00 – 15.40 **FUHEL PARTICIPANTS ARE INVITED TO ATTEND THE IWLH PLENARY SESSIONS**

15.40 – 16.10 **Introduction to FUHEL Programme - *Stefano Aliberti (Italy)***

16.10 – 16.40 **Public Speaking: first steps and elements - *James D. Chalmers (UK)***

16.40 – 19.45 **FUHEL participants are invited to attend the IWLH Sessions: analyses of the lectures under a “public speaking perspective”**

Friday - January 19, 2024

08.30 – 12.40 **WORKING GROUP AND REPORTING OF THE ANALYZED SESSIONS**

Mentors: *S. Aliberti (Italy) – James D. Chalmers (UK) - L. Morlacchi (Italy) – M. Shteinberg (Israel)*

08.30 – 10.20 **Working Group**

10.20 – 10.40 **COFFEE BREAK**

10.40 – 11.40 **Working Group**

11.40 – 12.40 **GROUP PRESENTATIONS ON LECTURES AND SESSIONS ANALYZED**

Mentors: *S. Aliberti (Italy) – James D. Chalmers (UK) - L. Morlacchi (Italy) – M. Shteinberg (Israel)*

- **FUHEL Group 1**: Case Discussion Session
- **FUHEL Group 2**: NTM management: from clinical trials to real life & RSV infections in adults: a new target of prevention
- **FUHEL Group 3**: New real-life data on pneumonia in immunocompromised patients & Bronchiectasis: new scenarios and new approaches

12.40 – 13.40 **LUNCH TIME**

13.40 – 17.00 **HOW TO CREATE A PRESENTATION - *Chair: S. Aliberti (Italy)***

13.40 – 14.00 **Keynote Lecture – *Letizia Morlacchi (Italy)***

14.00 – 14.20 **Grant proposal – *Michal Shteinberg (Israel)***

14.20 – 14.40 **Job Interview – *James D. Chalmers (UK)***

14.40 – 17.00 **Working Group - Realize a Presentation**

Mentors: *L. Morlacchi (Italy) – M. Shteinberg (Israel)*

Participants are divided into groups. A topic and presentation typology is assigned to each group. The group as to prepare a presentation to be presented in the following session

17.00 – 18.30 **GROUPS ON THE STAGE:**

Mentors: *S. Aliberti (Italy) – James D. Chalmers (UK) - L. Morlacchi (Italy) – M. Shteinberg (Israel)*

17.00 – 17.30 **Keynote Lecture Presentation**

17.30 – 18.00 **Grant Proposal Presentation**

18.00 – 18.30 **Job Interview presentation**

Saturday - January 20, 2024

09.00 – 09.30 **Gender balance in public speaking: where we are - *S. Aliberti (Italy) – M. Shteinberg (Israel)***

09.30 – 10.00 **Finalization of the FUHEL report in plenary**

From 10.00 **FUHEL participants are invited to attend IWLH sessions**

**Registrations
Fees**

Registrations are available ONLY on the Workshop Web-site lung-health.org/2024
 (accepted payments methods: bank transfer/credit cards – only for ON SITE: cash)

Registration fee ¹	ON SITE FEE	VIRTUAL FEE
AREA 1 High Income countries	€ 490	€ 300
AREA 2 Lower and Upper Middle Income Countries	€ 350	€ 200
AREA 3 Low Income Countries	€ 225	€ 195
TRAINEES / STUDENTS²	€ 225	€ 150
INDUSTRY STAFF³	€ 890	€ 590

¹Rates are without VAT established by Spanish Authorities (21%).

³Please, provide certification. Students and Trainees coming from Area 3 Countries can benefit from “free registration” writing to the Organizing Secretariat.

⁴Please note that doctors working for pharmaceutical companies need to pay the Industry fee.

For each registration, a **handling fee of 15 € + VAT** is applied to cover administrative costs, bank or credit card expenses.

REGISTRATION FEE INCLUDES

- Attendance to the Main Scientific Session
- Congress kit
- Welcome Cocktail
- Lunch and Refreshments as detailed in the scientific programme
- Entrance to the Poster Area & Exhibition

**Workshop
Broadcasting**

WORKSHOP BROADCASTING

Would you like to have additional occasions to update and follow up after the Workshop?

NO PROBLEM!

The XI International Workshop on Lung Health will be recorded and broadcast

On www.lung-health.org/2024
from January 25, 2024

SECRETARIAT DESKS

The secretariat desk will open on January 18th from 12.00 (noon) and will be open as follow

- January 18th, 2024: 12.00 – 20.30 (end of the Welcome Reception)
- January 19th, 2024: 08.00 – 18.00
- January 20th, 2024: 08.00 – 14.00 (end of the Workshop)

ADMISSION, PRESENCE CONTROL AND VIRTUAL TOOLS

The participant's name badge are provided by the Organising Secretariat at the registration desk. All participants are requested to wear the badge throughout the congress. Only badge holders are admitted to the appropriate sessions, exhibitions and social events.

VIRTUAL PLATFORM

If using your mobile you go on the congress website "www.lung-health.org/2024" and click on "virtual platform" you can access the workshop programme and eventually use the tool to ask questions. To access the virtual platform you need the credentials you received when registering, also stated in your confirmation letter. If you meet any problem, ask for assistance at the secretariat desk or write to the **virtual helpdesk** "info@lung-health.org"

ACCESS TO RECORDED SESSIONS AFTER THE LIVE EVENT

Authorized recorded sessions and lectures will be available for all registered participants on the congress website www.lung-health.org/2024 from January 25th to July 31st, 2024.

To access them click on the "virtual platform" button and enter your personal credentials.

PRESENCE CONTROL

Effective attendance is checked through badge scanning when going in and coming out of the plenary room.

A minimum of 6 hours of effective attendance is required to issue the certificate of attendance.

GENERAL INFORMATION

CERTIFICATE OF ATTENDANCE

The certificate of attendance will be downloadable from the website www.lung-health.org/2024 using your personal credentials sent by e-mail, starting from January 27, 2024.

Important note: Certificate of attendance would be delivered only to registered participants who attend at least 6 hours of congress sessions.

For Group Participants: Please note that to send the certificate of attendance to each participant, we will need the personal e-mail.

EUROPEAN ACCREDITATION

The XI International Workshop on Lung Health is granted with 14.5 CME credits (ECMECs®) by the European Accreditation Council for Continuing Medical Education (EACCME®) and 17,5 European CME credits by the European Board for Accreditation in Pneumology (EBAP).

The Credits Certificate is delivered to those having attended the Conference (at least 6h) and having filled the online dedicated Questionnaire..

INSURANCE

The Congress Organisers cannot accept liability for personal injuries sustained, or for loss or damage to property belonging to Congress participants, either during or because of the Congress. Registration does not include insurance. It is strongly recommended that you take an insurance policy of your choice as you register for the Congress and book your travel.

LANGUAGE

The official language of the Congress is English. No simultaneous translation will be provided.
